News Release

HealthSpace Announces \$235,990 USD in New Contracts and Renewals for Washington, Illinois, New York and Ontario

Vancouver, BC – January 17, 2018 - HealthSpace Data Systems Ltd. (“HealthSpace”) announces that the Company recently signed new contracts with the Adams County Health Department in Washington, the Bureau, Putnam, Marshall County Health Departments in Illinois, the Erie County Health Department, Buffalo, New York and the Eastern Ontario Health Unit. The contracts are worth \$235,990 USD.

HealthSpace President, Joseph Willmott stated “Since the launch of our new platform for government services, we have seen an increase in the number of enquiries about our products and services from across North America.”

HealthSpace has retained every client since its inception in 1998 and every new client signed adds to annual reoccurring revenue.

About HealthSpace

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers its government grade technologies to private businesses enabling them to gain visibility and predictability into their own organizations and move from a reactive to a proactive operational status. HealthSpace continues to deliver focused service and innovative solutions to government organizations, while expanding into commercial enterprise verticals.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
