

NEWS RELEASE

HealthSpace Data Systems Ltd. Announces Renewal of Lane County Contract and Appoints Zula Kropivnitski as CFO

VANCOUVER, BC – November 14, 2016 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce the one year renewal of its contract with Lane County, Oregon valued at USD\$110,616.

“We are very pleased that due to the success in Lane County it has renewed its contract with HealthSpace. The system is being implemented in surrounding counties as part of this project and so far, the system has been implemented in nine additional counties in the State of Oregon and that will only continue to grow,” commented Maureen Garrison, COO of the Company.

The Company also announces the appointment of Ms. Zula Kropivnitski as Chief Financial Officer, effective today.

Ms. Kropivnitski is a certified general accountant with over 10 years of experience in financial reporting, regulatory compliance, internal control and corporate finance. Ms. Kropivnitski is CFO of Planet Mining Exploration, LexaGene Holdings Inc., former CFO of Electric Metals Inc. and Iron Tank Resources Corp, companies with a combined market capitalization approaching \$80 million. She is also a former controller of African Queen Mines and Sacre-Coeur Minerals.

Joseph Willmott, President of HealthSpace, commented, “We are delighted to welcome Zula to the management team at Healthspace. She is a seasoned financial executive and will be a valuable addition to our team.”

Mr. Conrad Krebs will be stepping down as CFO. The Company thanks Mr. Krebs for his services.

About HealthSpace Data Systems Ltd.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
