

NEWS RELEASE

HealthSpace Announces Contract with Fraser Health Authority

VANCOUVER, BC – January 16, 2017 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce that Fraser Health Authority has signed a new service agreement with the Company to host and maintain its environmental health inspection, permitting and regulatory enforcement system. The agreement is for five years with four additional option years and replaces the agreement that expired in 2016. The contract is worth \$759,720 excluding option years.

HealthSpace President, Joseph Willmott stated "We are delighted to have Fraser Health Authority as a client and are gratified with the confidence they have with our product and service."

Fraser Health Authority is the largest health authority in British Columbia, servicing a population of 1.5 million people from the City of Vancouver to Hope.

About HealthSpace Data Systems Ltd.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade, the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
