

NEWS RELEASE

HealthSpace Extends Agreement with West Virginia Bureau for Public Health

VANCOUVER, BC – February 2, 2017 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce the extension of its agreement with the West Virginia Bureau for Public Health. The agreement has been extended to February, 2018. HealthSpace provides its enterprise EHS system throughout the state of West Virginia for over 200 environmental health inspectors. The contract extension is worth \$104,823 US.

President Joseph Willmott commented, "We are pleased with the confidence that the State of West Virginia has demonstrated in our product and service to extend the agreement as a sole source provider."

About HealthSpace Data Systems Ltd.

HealthSpace is an industry leader providing inspection, information and communication management systems for federal, state, county and municipal governments. Over the last decade, the Company has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. Clients range in size from small county organizations to state-wide systems with over 910 concurrent users, as well as national programs. HealthSpace specializes in the field of developing, installing, and maintaining inspection and regulatory management systems for environmental and public health organizations.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
