

NEWS RELEASE

HealthSpace Grants Incentive Stock Options and Restricted Stock Units

VANCOUVER, BC – December 15, 2017 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) is pleased to announce that it has granted stock options and restricted stock units to directors, officers, employees and consultants of the Company. The stock options granted allow the optionees the ability to purchase a total of 2,375,000 common shares of the company at an exercise price of \$0.15 cents per share for a five-year term. The restricted stock units granted allow the recipients the ability to purchase a total of 1,100,000 common shares of the Company for a five-year term.

HealthSpace Data Systems Ltd.

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers its government grade technologies to private businesses enabling them to gain visibility and predictability into their own organizations and move from a reactive to a proactive operational status. HealthSpace continues to deliver focused service and innovative solutions to government organizations, while expanding into commercial enterprise verticals to enable new customers with proactive environmental health best practices and policies.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
