News Release

Florida State Department of Health to Award HealthSpace a State-Wide Contract

VANCOUVER, BC – October 31, 2018 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) (CSE:HS) (Frankfurt:38H) (OTC:HDSLF) announces that the Florida Department of Health (“DOH”) has posted on MyFloridaMarketPlace Vendor Bid System its intent to award a five year contract to HealthSpace USA Inc. a wholly owned subsidiary of the Company subject to successful contract negotiations.

HealthSpace President, Joseph Willmott stated “This is the largest single contract bid ever issued by an environmental health regulatory body.”

The contract will be for the installation and maintenance of the HealthSpace CS Pro Enterprise Cloud application for the entire State of Florida with over 1,100 concurrent users. DOH provides environmental health services to detect and prevent disease caused by natural and manmade factors in the environment. Further details regarding this contract will be announced once a final contract is signed by both parties.

About HealthSpace

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 300 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers inspection and auditing systems to private businesses enabling them to gain visibility and predictability into their operations to improve performance and safety. As HealthSpace continues to deliver focused service and innovative solutions to government and business organizations, it is developing advanced blockchain technology to revolutionize service delivery to its core market while expanding into other commercial enterprise verticals.

Forward-Looking Statements

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
