**HealthSpace develops and provides sophisticated information management system for the surveillance, business management, compliance and tracking of regulatory and quality control applications. Clients include government regulatory agencies and private sector businesses who require collected data along with auditing applications for the purpose of improving productivity, quality control and performance analysis.**

**HealthSpace’s ongoing engagement with government customers in both the US and Canada continues to drive growth and viable learning opportunities to continue to innovate our technology offerings. In 2019, we are continuing to actively introduce our platform and services into commercial enterprise clients in food & beverage, hospitality, assisted living, and child-care. Ongoing discovery work based on HealthSpace’s agricultural capabilities is now being integrated into cannabis production and distribution processes through work with both US and Canadian partners.**

**In addition to its core SaaS market, the Company is now developing a proprietary payments solution to create a governmental FinTech platform for online and mobile payments. This new platform will revolutionize the way State and Local governments agencies collect revenue from private businesses they regulate. This new platform will target the tens of billions of dollars these agencies charge to private businesses to allow them to operate. These charges include annual licensing fees, such as a restaurant permit, as well as application fees, fines and more. The Company will be able to share in the revenue through a profit share from payment**
