HealthSpace Announces Three Contract Wins in Illinois, Missouri and Colorado

VANCOUVER, BC – September 22, 2020 - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) (CSE:HS) (Frankfurt:38H) (OTCQB:HDSLFL) is pleased to announce new sales wins and contracts with Fulton County, IL, Taney County, MO and Delta County, CO. The total value of these contracts is US \$159,900.

HealthSpace CEO, Silas Garrison commented “These contract wins are part of a cycle of deals we anticipate closing between now and the end of the year. We already have a contract with Colorado at the state level and Delta County is the fourth county to sign a separate contract to extend their use of HSCloud beyond the state contract. As our footprint continues to grow across multiple geographic regions, our ability to create future opportunities with nearby agencies will accelerate.”

HealthSpace Data Systems Ltd.

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 500 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers its government grade technologies to private businesses enabling them to gain visibility and predictability into their own organizations and move from a reactive to a proactive operational status. HealthSpace continues to deliver focused service and innovative solutions to government organizations, while expanding into commercial enterprise verticals to enable new customers with proactive environmental health best practices and policies. HealthSpace has now entered into the FinTech space by creating a payment platform that streamlines the intake of government revenue for the agencies it serves.
